

## 41064 KENASTON

The Kenaston collection takes advantage of modern technology to offer luxurious comfort. A classic family-friendly collection, the Kenaston features a power headrest, power lumbar support and an extended power footrest, allowing for complete customized comfort. The collection offers clean styling that is complemented by a T-cushion full chaise, providing support for the entire body when fully reclined. Featuring plush fibre-filled cushions and seats that are topped with a layer of gel-infused memory foam, the Kenaston molds to the body for added comfort. The box-border back cushion is highlighted with beautiful topstitching details, offering added comfort and contributing to the visual appeal of the collection. The power headrest, recline and lumbar functions are easily operated by a sleek brushed metal switch with integrated USB charging. With a convenient home button, all power functions will easily and quickly return to the fully closed position. The Kenaston is available in a full assortment of standalone pieces or modular sectional components that can be configured for your perfect arrangement.
