

## 44004 TITAN

On-trend and comfortable, the Titan collection makes a great addition to a modern home. The collection features the pinnacle of reclining technology with a sleek style. Ideal for those who are looking for something comfortable that also looks great. Through using cutting-edge technology in motion seating, the Titan collection offers limitless positions with a smooth and seamless transition between them. The full-chaise recline is supported by a headrest with a full range of motion to accommodate individuals of any size. The body is kept supported and comfortable in any position with seats made up of multi-density foam and a memory foam topper. The Titan collection pairs technology with design and looks great in any living or entertaining space. The collection is available in a variety of sofa and sectional configurations.
