

40828 LEMANS

The Lemans collection features contemporary styling with its clean lines and innovative features. Adjustable headrests allow for extra back height and a forward tilt position that will support your head while watching the screen. The seat back features an ergonomic split back design that provides even weight distribution and contours the spine. The extra storage space in the armrests help keep your room looking tidy and your belongings within arms reach. Meanwhile, high-resiliency foam seating provides comfort and support whether sitting or reclining that lasts for years to come. Accented with topstitching details, the plush foam back cushions complete the home theatre seating experience. Available in a multitude of configurations to suit any space, you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Lemans is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.

FEATURES

- **Mechanism Activation:** All armless manual pieces recline with D-pull activation handle, discreetly hidden between the arm and seat cushion., All armless power pieces recline with a discreet touch control button switch, located between the arm and the seat cushion., Power recline with a touch button switch, located on the LED cupholder when the LED option is selected, Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with a two button power toggle switch
- **Features:** Single top stitching for a clean and tailored finish (on leather and select fabrics)
- **Cover:** All Palliser Fabrics, All Palliser Leathers
- **Frame Construction:** The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
