

41471 CATALINA

The luxurious Catalina is the ultimate spot for enjoying your favourite media. Modern channelled detailing boasting 1.5" of memory foam in each channel will conform to your body and cradle every contour as you melt into your seat. Full pad-over chaise with extended footrest leaves no part of your leg unsupported, with a welcome bit of extra room for taller occupants. At the push of a button, power lumbar, headrest, and recline will smoothly move to your favourite viewing position, which can be saved and returned to over and over with the memory key function. All functions, including LED lighting in the cupholder with seven different colour choices and three intensities, are conveniently controlled from the cupholder or via the iPal app. An integrated smart USB port keeps devices charged without draining unnecessary power from the chair's battery. Extra storage can be found in the wide arms, with optional grommets to add on a table, tablet holder, wineglass holder, or flex light. With sleek contemporary styling and the best in modern functionality, the Catalina will soon become the most coveted seat in your home theatre.

FEATURES

- **Frame Construction:** The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
